

## The numeric-verb style

This style is similar to `numeric` except that a list of multiple citations is printed in a slightly more verbose format.

### Multiple citations

[5], [8], [1], [3], [6], [7], [2], [4]  
[6c], [4c]

### Multiple citations with \supercite

This is just filler text.<sup>5,8,1,3,6,7,2,4</sup>
